(1) To use the TachoRemoteDownload on www.TachoWeb.de you have to register a company ID. The ID ensures an explicit address (Company) allocation and is also for the login and usage of the web portal www.TachoWeb.eu. Login data will be sent per E-Mail after registration.

(2) The archiving fee per vehicle includes archiving up to 10 data records. Unused data records (downloads) aren't transferred to the next month and will expire (1 data record = 1 download file). The settlements of prices occur on a quarterly basis.

Just register and start:

1. Register at www.tanic.eu/tachoweb
2. Receipt login data (Company ID and Password)
3. Transfer tachograph- and driver card data from every DAKO-Tachostation
4. Analyze your data on the web portal www.tachoweb.eu

Start transferring your data from every DAKO-Tachostation right after registration!
